Mr. Anthony J. H. Ching, Executive Director
Hawaii Community Development Authority
1001 Ala Moana Boulevard, Suite 1001
Honolulu, Hawaii 96813

Dear Mr. Ching:

Subject: Honolulu High-Capacity Transit Corridor Project

One of the items on the February 6, 2008 Hawaii Community Development Authority meeting is an informational briefing on the Ward Master Plan by General Growth Properties. It is our understanding that the transit alignment that will be shown during this briefing will not be the same as that being planned by the Honolulu High-Capacity Transit Corridor Project. As we discussed earlier, near the corner of Ward Avenue and Queen Street, the transit alignment is planned to cut diagonally across General Growth Properties, Inc. property at the existing Ross Store structure. It is envisioned that the alignment would be wholly within General Growth Properties, Inc. property.

If the transit alignment presented by General Growth Properties is not as described above, we would appreciate your informing the Authority about the correct alignment.

Should you have any questions regarding this matter, please contact Mr. Toru Hamayasu, Project Manager, at 768-8344.

Very truly yours,
